RIVER VALLEY GLOBAL SCHOOL

About Us

RVGS was founded in year 2016 with a view to delivering quality education to its pupils. The school is located in a beautiful valley of Himalayas. RVGS supports innovation in education and strictly criticises the current system of education. It's continuously working towards improving the current way of teaching and learning by

- developing curriculum that will be child - centred.
- limiting the syllabus burden on the students' shoulders.
- using child psychology as a tool.
- evaluating the students and changing the way accordingly.
- focusing on the life skills .
- following the educational aims.

Vision

To be a school where children enjoy learning.

Mission

To nurture the capabilities of the Students and to teach them values and Ideals by following the educational aims.
